Free Electives 9.00

(This requirement may be filled with college level testing credit or college credit from military service.)

Excess or Duplicate Credit

TOTAL 60.00 0.00

Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas we serve as an activity in support of your unit Educational Services Officer (ESO), you are encouraged to seek assistance from your local ESO in your academic endeavors. The following information is provided to help you understand what is presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary assessment of how your prior learning experiences might fit into the specified degree program for this academic institution. If you choose to pursue this degree option, you must present it to a college representative, who will review it for the following:

- o Accurate representation of the college's degree program requirements, including course numbers and titles, credit hours for each course, lower- and upper-level course requirements, and the total number of credits needed for the degree.
- o Appropriate assignment of ACE Guide-recommended credit at the lower or upper level for military service schools and occupations, CLEP, DSST, and other tests, transfer credit for courses from other colleges and universities, certification programs, etc.
- o Appropriate assignment of SOC Course Category Codes from the SOC Handbook Transferability Tables. The SOC Degree Program Handbooks can be obtained from the SOC web site at: www.soc.aascu.org should you wish to learn more about the course transfer guarantees among SOC network institutions.

The Degree Plan may be used by the college to prepare an official SOC Student Agreement which, when signed by a college official, becomes a contract for degree completion between you and the college.

Credit for all courses you have taken must be reflected on official transcripts sent directly to this college from the administrative offices of the colleges you previously attended. This degree plan is often used for information purposes by college counselors pending receipt of the official transcripts from the source colleges.

This degree plan is not intended to compete with your local college or university. Keep in mind, you are allowed to transfer in a significant amount of the degree requirements to this institution - at least 75% of the degree. As such, credit from local colleges, college level examination programs, or advanced military training may be applied to this degree. You may also complete the courses necessary from this college either in residence (on campus or possibly on a military base at a campus extension in the Education Center) or through distance delivery of the courses. If you have questions, please contact the college counselor or your advisor listed at the bottom of this Degree Plan.

DEGREE PLAN LEGEND:

sh = semester hours
VOC = Vocational, not relative to an academic degree
LL = Lower Level, i.e. courses at the Freshman/Sophomore level
UL = Upper Level, i.e. courses at the Junior/Senior level
GL = Graduate Level (sometimes recommended by ACE for very complex courses)
[#] such as [Y24] or [Y124] = SOC Course Category Codes*
{#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes **

* SOC Course Category Codes: Servicemembers Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. On some courses there are academic codes beside a subject, such as [Y24] or [Y124] for English Composition; these are simply used by counselors at the college to determine SOC Network courses that may fill the requirement. These courses may be found in the SOC Handbooks at <http://www.soc.aascu.org/>

** DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer in at least 75% of the degree, as mentioned above. If the course you desire to take is not offered by this institution when you want to take it, consider the opportunities the courses in the DISC present. For more information, visit http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be accepted in transfer toward this degree.

University of Phoenix (UoP) General Information

At University of Phoenix, you can earn your bachelor's, master's or doctoral degree any way you want to - on campus, online, or in certain areas using a combination of both, which is called FlexNet®. University of Phoenix has grown to be the nation's largest private university, specializing in the education of working adults by offering degree programs that are highly relevant, accessible, and efficient. With over 100 campuses and learning centers in the United States, Puerto Rico, Canada and

via the Internet, you can complete your degree no matter where you live, what hours you work, or how often you travel or relocate.

The maximum amount of college level testing credit accepted by UOP is 30 semester hours for an Associates Degree or a Bachelor's Degree. Transfer credit accepted by UOP may include up to 30 semester hours of non-traditional credit for an Associates Degree a Bachelor's Degree (Military credit or college level testing). The remaining 30 semester hours for an Associates Degree or 60 semester hours for a Bachelor's Degree must be taken through colleges (3 semester hours for this Associates Degree or 30 semester hours for a Bachelor's Degree must be taken through UOP).

This degree is designed for the professional who serves in the area of focus of the degree. Credit in the subject area are expected to be received in transfer to the University of Phoenix (often through ACE recommended military credit) - thus, this degree is appropriately described by UOP as an "Associates of Arts Credit Recognition Degree." Those desiring to take courses in many of the professional focuses listed may need to seek them through other regionally accredited colleges (such as your local college or university) and transfer them into this degree which, when combined with military credit, may accelerate your progress toward degree completion.

For those who have served in more than one service or have held multiple MOS/Rating/AFSC's, additional credit may have been earned so as to enable one to be closer to degree completion - check your assessment to ensure all have been listed. Credit for Duty or Secondary MOS may also apply to this degree. Contact your counselor for more information if this applies to you.

A SOC Contract for Degree Completion with this institution may be entered after being admitted into this degree program.

Tuition per course: \$525 for EML-299 (subject to change)
Cost per credit online \$ 210 to \$360 per credit
Application Fee \$65 (Subject to change)
Graduation Fee \$40
